

**KNOCK ME**, host the services as a multi-vendor marketplace and booking place to grow and gain your prospects as a brand. We make your business public to the relevant audience as our concern is to meet the likes of both Vendors and Users. Don't miss to knock at our service to make appointments, bookings, and services. Become the local favourite with customized offerings for your target area. Wait no longer, make yourself easily accessible to your target audience. Save Time By Eliminating Coding And Launch A White-label Platform For Your Business.

## Why KNOCK ME?

Let's stop searching on a directory for any of the service provider numbers near you. All you need is to turn a knock to our platform.

Do you have plans to make your website public? We are here to help you.

Get your right audience with your updated services and portfolio only at **KNOCK ME**. With the clarity of your location, services, product details, and offers, your brand gets the chance to reflect its opportunities. Tag your brochures or catalogues and share your clicks that impress your audience. A smart way to manage the business. Integrate with the existing websites social media etc that simplifies your business.

We knock on the right doors to give you the best services, appointments, bookings, etc. The time of pandemic may get you the services in lag for we don't want to make you wait in a queue.
